Solution Summary:
Implementing the recommended proximity detection system can prevent the majority of these incidents. This solution is subject to a successful pilot.

BRIOTIX ENTERPRISE

Simple. Easy. Free.

And we tie it all together for you with our best-in-class service architecture. Administrator access to your data, assessment reports, and program performance statistics is included.

The screenshot shows the BxPro web application interface. At the top left is the BRIOTIX .WORKS logo and the text "BxPro". Below this is a navigation bar with three tabs: "Ergo Team Portal" (selected), "Admin", and "Reports". The main content area features a large image of a woman in a red sweater pointing at a laptop screen while a man in a tan jacket looks on. In the bottom right corner of this image is the "BxPro" logo. Below the image is a "Quick Start" section with four icons: "EMPLOYEE" (silhouettes of two people with question marks), "ASSESSMENT" (silhouettes of a person sitting at a desk and another standing), "EQUIPMENT" (a keyboard and mouse), and "REPORTS" (a computer monitor and a bar chart). At the bottom of the interface are two buttons: "Submit" and "Reset".
