

“How do we get employees seen?”

Sometimes the best approach is a full-service, in-person intervention. We offer onsite services in major markets in 59 countries world-wide!

ONSITE *ERGO* SERVICES

Ergo Assessments

Briotix offers a variety of ergonomic assessments to fit your employee needs. Ranging from ADA to standard discomfort support to wellness based assessment services.

Lunch-n-learn and topical trainings on movement, back health, stretching for work, ergo 101, ergonomics for managers, etc. are available.

A New Paradigm

What does sedentary living have in common with life in space?

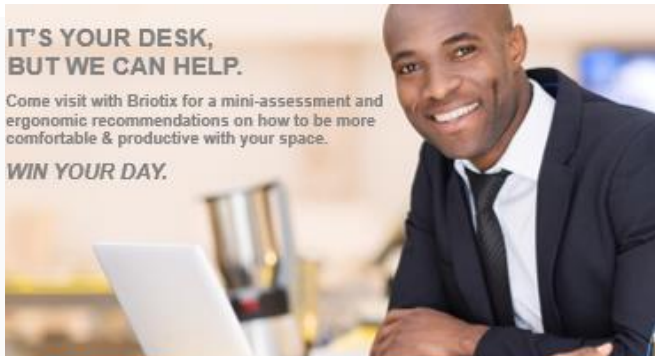

Trainings

We offer proactive ergo sweeps & move in support targeting departments & floors. These mini quick-hit-assessments are an effective, economical way to increase program reach.

**IT'S YOUR DESK,
BUT WE CAN HELP.**

Come visit with Briotix for a mini-assessment and ergonomic recommendations on how to be more comfortable & productive with your space.

WIN YOUR DAY.
